A Message from the Supervisor

Dear Islip Residents,

Winter has given way to Spring and Summer, and so our residents can once again enjoy all of the great outdoor spaces that our Town has to offer. This edition of *Recreation News* covers all of the Town-sponsored activities you need to know about for the Summer/Fall 2012 season. We have affordable programs that will appeal to every member of your family. Our mission has always been to provide Islip residents with quality activities, and I'm proud of the spectrum of programs we have lined up for this year.

Our children's camps are open to all of our younger residents, but spaces fill up fast, so please submit your applications as early as possible. Our Parks and Recreation Department also offers numerous athletic programs during the year, including several baseball clinics with our hometown Long Island Ducks.

The Great South Bay is the jewel of our Town, and is a source of endless activities for the entire family. Be sure to look into registering for a boater's safety course with the Town, so your family can receive important lessons on how to operate watercraft safely and responsibly.

Lastly, I want to invite all Islip families to enjoy our **free** Concert Series which contains an outstanding lineup of local bands. Be sure to check the Town of Islip's website (www.townofislip-ny.gov) and our Twitter page (@townofislip) for a complete schedule of these upcoming events, which will be held at a variety of locations across the Town.

Please enjoy a safe, healthy and fun summer in the Town of Islip.

Very Respectfully,

Tom Croci

EXHIBITIONS AT THE MUSEUM'S GALLERIES

Prints Please: Selections from ULAE

February 8 through March 25

Reception: February 26, 1-4 p.m.

Curated by ULAE and Islip Art Museum Staff

Universal Limited Art Editions (ULAE) began making lithographs in 1957 through collaboration with some of the most eminent artists of the 20th century. The partnerships that formed resulted in ULAE's status as an acclaimed fine art print publisher. The exhibit will present the history of ULAE in Islip Town through a survey of prints that have evolved from multiples to unique handcrafted editions. Events will include an exposition focusing in art businesses and nonprofit art organizations in Islip Town.

Urban / Suburban

April 11 through May 27

Reception April 22, 1-4 p.m.

Curated by Karen Shaw

The United States is comprised mostly of city dwellers and suburbanites. This same demographic is communicated through the visitors and artists of the Islip Art Museum. This exhibition features artists who reflect their environment in their work whether it be *urban* or *suburban*.

The Garbage Barge Revisited: Art from Dross

June 13 through September 2

Reception: July 29, 1-4 p.m.

Curated by Karen Shaw

In 1987, Islip Town became infamous when a barge containing tons of commercial trash from the town was forced to sail along the Atlantic coast for three months in search of a landfill for the waste. As a result, Islip Town paved the way for the nation to reduce, reuse and recycle. This exhibition, our annual Open Call invites artists to consider alternate ways to repurpose cast-offs, which might otherwise be waste.

Occupying Potato:

An Exhibition of Contemporary Potato Art

September 19 through November 18

Reception: September 30, 1-4 p.m.

Curated by Jeffrey Allen Price

The Potato Revolution continues with an international exhibition of contemporary Potato Art at the Islip Art Museum. "Occupying Potato" brings together a wide range of works by artists deriving inspiration from different aspects of the Potato. This exhibit explores the potato as the most nutritional and abundant vegetable in the world; looks at its storied history and wide-ranging scientific uses and its spiritual aspects as well as its enduring comedic potential, and the prevalence of the potato in popular culture – a very unique exhibition.

Schedule subject to change.

Janine has a versatile vocal range. She switches from country, to jazz, to blues – a wide range of song styles and a voice with fine phrasing. Janine will present an unusually interesting song selection with a great band.

12 Shenole Latimer

The ensemble combines African and tribal music with Latin and jazz to create purely improvisational compositions that flow like a river and hits the audience members where they feel it most... in their soul.

19 Jan Wickline and the Amber City Band

Jan Wickline is a multi-talented musician who not only performs but composes and produces music as well. He is a multi-instrumentalist, playing guitar, bass, drums, keyboards and vocals.

26 Miles to Dayton

Four-part vocal harmony, clever songwriting, improvisational violin and cello, and an infectious rhythm section that stirs up the creative stew – a unique marriage of styles with a real-life marriage: vocalist Krista Preddice shares the microphone with husband Jonathan Preddice, who, in addition to being the principal songwriter for the group, also shines on guitar, cello, accordion and trumpet. Bassist Dave March (Krista's brother) and violinist Leanne Strom (Jon's sister) add depth to the vocal harmonies, with Dave's low, soulful bass and Leanne's soaring classical virtuosity providing the sonic bookends for the M2D sound. Drummer Brian Kroll, the newest member of the group, propels the music forward with an exciting and funky edge.

JUNIOR DEVELOPMENT TENNIS PROGRAM

New

SUMMER TEAM TENNIS PROGRAM

*Presented by Town of Islip &
Long Island Foundation for Education & Sports*

Whether you are a beginner or have taken lessons, our new Junior Team Tennis Program will have you playing on your very first day. We offer every child the opportunity to play on teams in a league that emphasizes fun, fitness and friends. Modified scoring is used to give each player at each level the ability to earn points and contribute to their overall team score. The LIFFES Junior Team Tennis League teams are organized to match players of similar ability and age. All equipment provided by the Long Island Foundation for Education & Sports.

DIVISIONS

NEW! Young Stars – Ages 4-5

Little ones ready to start, get a feel for the racquet, tracking the ball, balance and eye coordination through fun games. Foam tennis balls and small tennis racquets are used.

First Servers – Ages 6-8

Children will learn using the Quick Start Tennis format approach. Now any child can play tennis almost immediately—even if he or she never picked up a racquet before. Quick Start stresses modified scoring and games, along with modified racquet, ball and court size, to make the game easier for kids in this age group.

The Aces – Ages 7-10

This is for kids who are new to the game or have some previous tennis experience. Children are divided by ability and provided basic instruction with skill-based and Quick Start Tennis activities including team matches. Children will be introduced to doubles and singles with the Quick Start 36/60/78 foot courts and age appropriate transition balls.

Center Court – Ages 11-13

Based on the full 78 foot court with yellow balls, kids are taught stroke basics for all the shots used in the game, basic strategies (including those specific to singles and doubles), and more emphasis on footwork/movement. League play and competition is the major ingredient. Perfect for anyone trying out for their middle school tennis team.

Match Point – Ages 14-16

Match Point takes the instruction to the next level. Prepares players for High School teams! The instruction portion begins to focus more on groundstroke depth, working a point, when to be consistent versus when to go for it, approach shot, put-away volleys, spin serve, lob/overhead, return of serve, etc. On top of all the above, we will teach the differences in using these shots/strategies in singles and doubles. League play and competition is the major ingredient.
